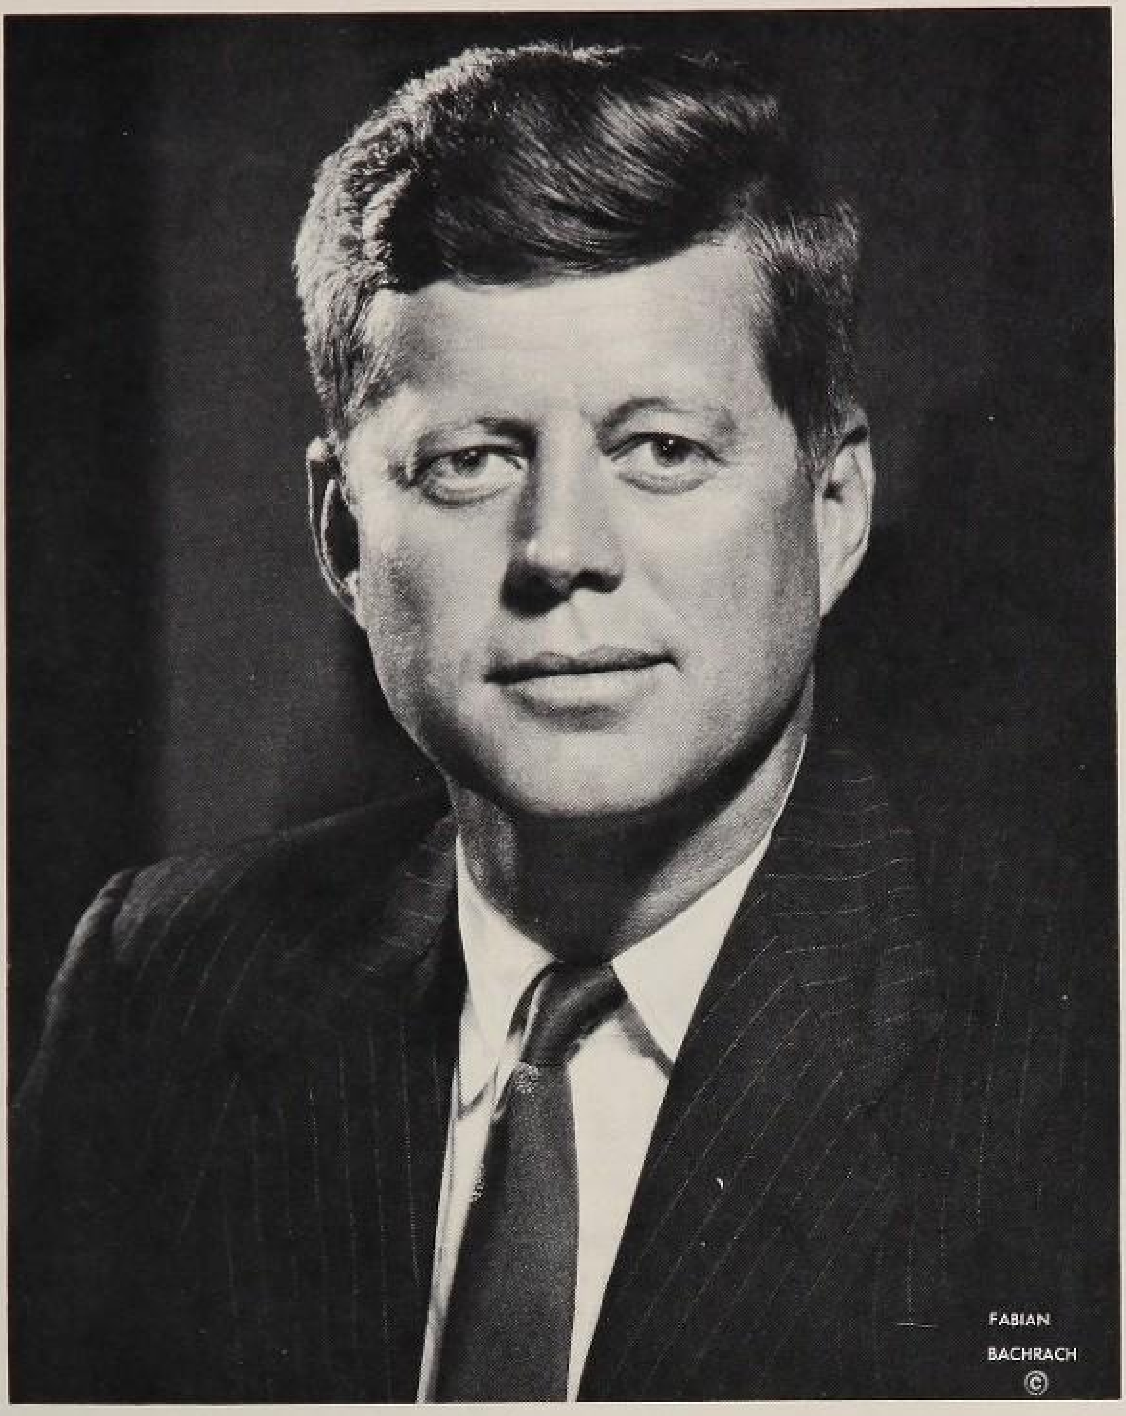
Success

He has achieved success who has lived well, laughed often and loved much; who has gained the respect of intelligent men, the trust of both men and women and the love of children; who has filled his niche and accomplished his task; who has left the world better than he found it; who has never lacked appreciation of Earth's beauty or failed to express it; who has looked for the best in others and given them the best he had; whose life was an inspiration; whose memory is benediction.

Dedication

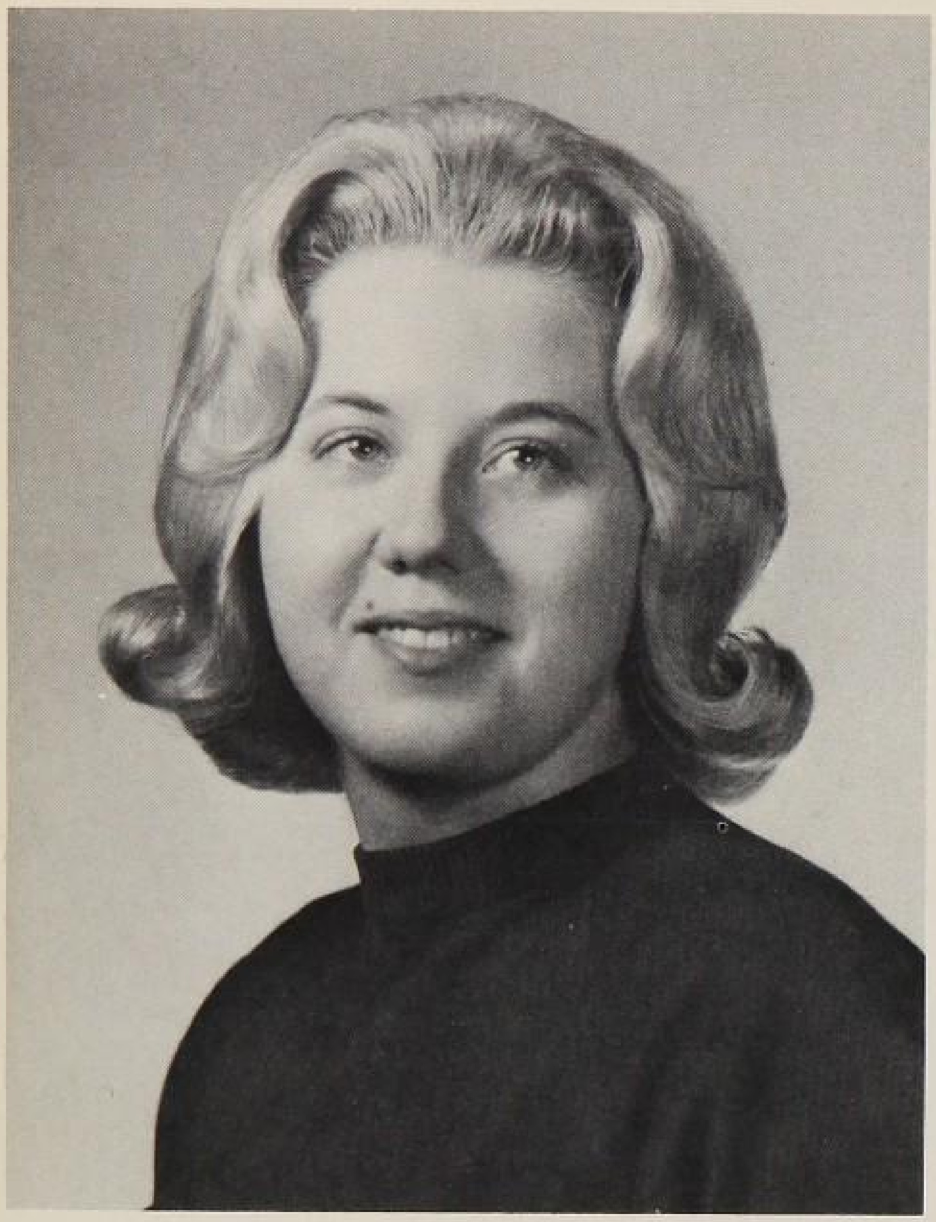
We, the Class of 1964, would like to dedicate this yearbook to you, Mr. Robert Hughes. All students at Toronto High School love and respect you, and they all have been helped by you at one time or another. You are always willing to do anything possible for the betterment of the students. So, to a very dedicated person, we dedicate this book to you, knowing we will never forget you.

John F. Kennedy



1917-1963

Students will never forget that day, November 22, 1963, when news came that President John F. Kennedy had been assassinated. The whole nation mourned his death because he and his family were closely connected to the American family unit. We will always remember him by the courage displayed in life and his inaugural address – "Ask not what your country can do for you. Ask rather what you can do for your country."



Linda Lee Tarr

To Linda Tarr, whom we miss deeply
I ask of life this last request:
That word of mine may share
With all who read that loveliness –
The halo of the hair,
The softest voice, the busy hands,
The gentleness and grace –
The logic of the mind – the light
That brightened up the face.

Mildred Bowers Armstrong

In Memorial Of Those We Love

Mr. Eugene Leasure

We, the Class of 1964, have kind memories of Eugene Leasure and will never forget his kind smile and his willingness to help both students and teachers alike.

School Pledge

I will strive to do right,

I will respect authority,

I will be the best student my ability will permit,

I will respect the opinions and beliefs of others,

I will be modest in victory and calm in defeat,

I will respect my opponent whether he be victor or vanquished,

I seek to do what is best for Toronto High School.

Alma Mater

To Toronto High a song we sing,
Alma Mater, praises ring,
Standards true we will uphold.
As the days and years unfold.
Schoolmates joining side by side.
Through the days and eventide
Lift our hearts and voices true
Toronto High, we sing to you.
CHORUS –
Alma Mater, praise to thee
Stérling, loyal hearts have we,
You were loved in days of yore,
And we'll love thee evermore.

Fight Songs

Old Fight

We're gonna fight the team across the field,
And show them Toronto's here.
We're gonna set the earth reverberating with the mighty cheer
RAH, RAH, RAH,
Hit them hard and see how they fall.
Never let that team get the ball.
Hail, Hail, the gang's all here,
So we'll beat Old Wintersville now!!

New Fight

Fight on Toronto, win this game,
Fight on to VICTORY,
Your colors splash on the field in royalty,
We will support our team
FIGHT RED KNIGHTS!
Courage and Strength will give you speed,
The will to win is all you need,
So let's go RED KNIGHTS, let's FIGHT, FIGHT, ON TONIGHT,
We know you can win this game!

Joe Wilson, Editor

Connie Karaffa, Co-Editor

To Toronto High School:

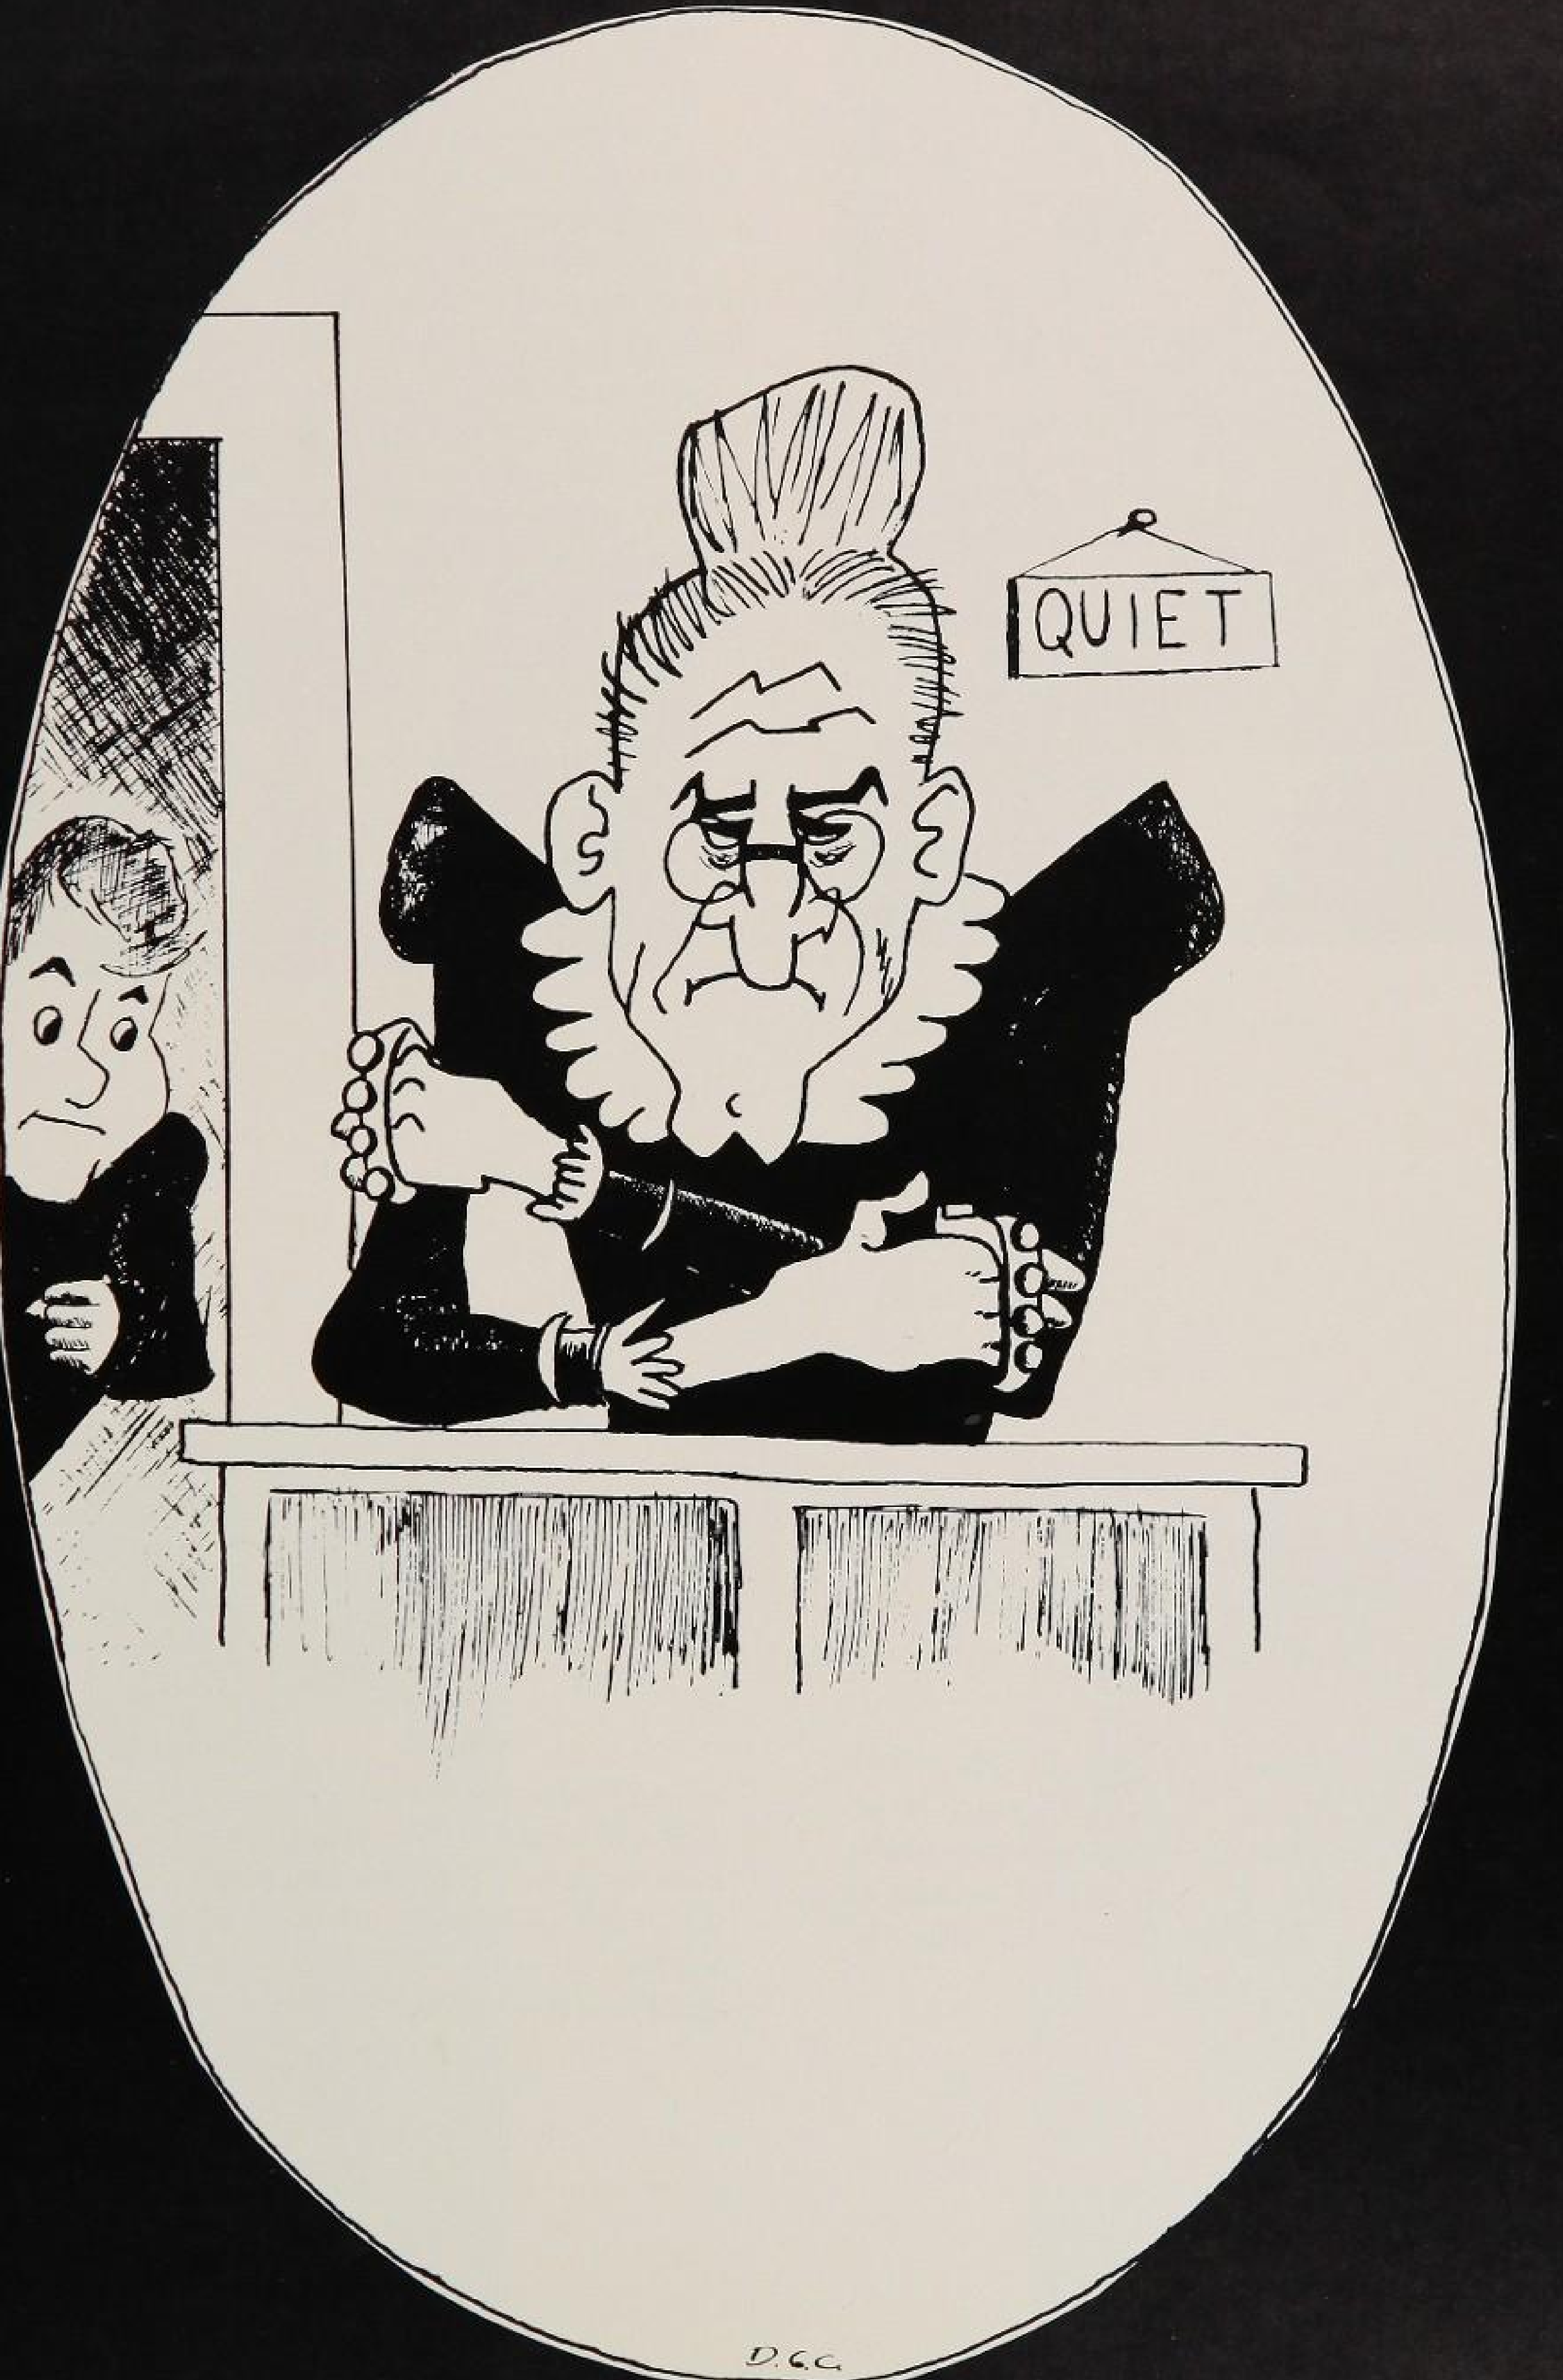
The 1964 Torhisean Staff would like to say that we hope everyone will enjoy our yearbook. We used satire for a theme, and sincerely hope no one will be offended by it, for we used it to amuse you, the students and faculty.

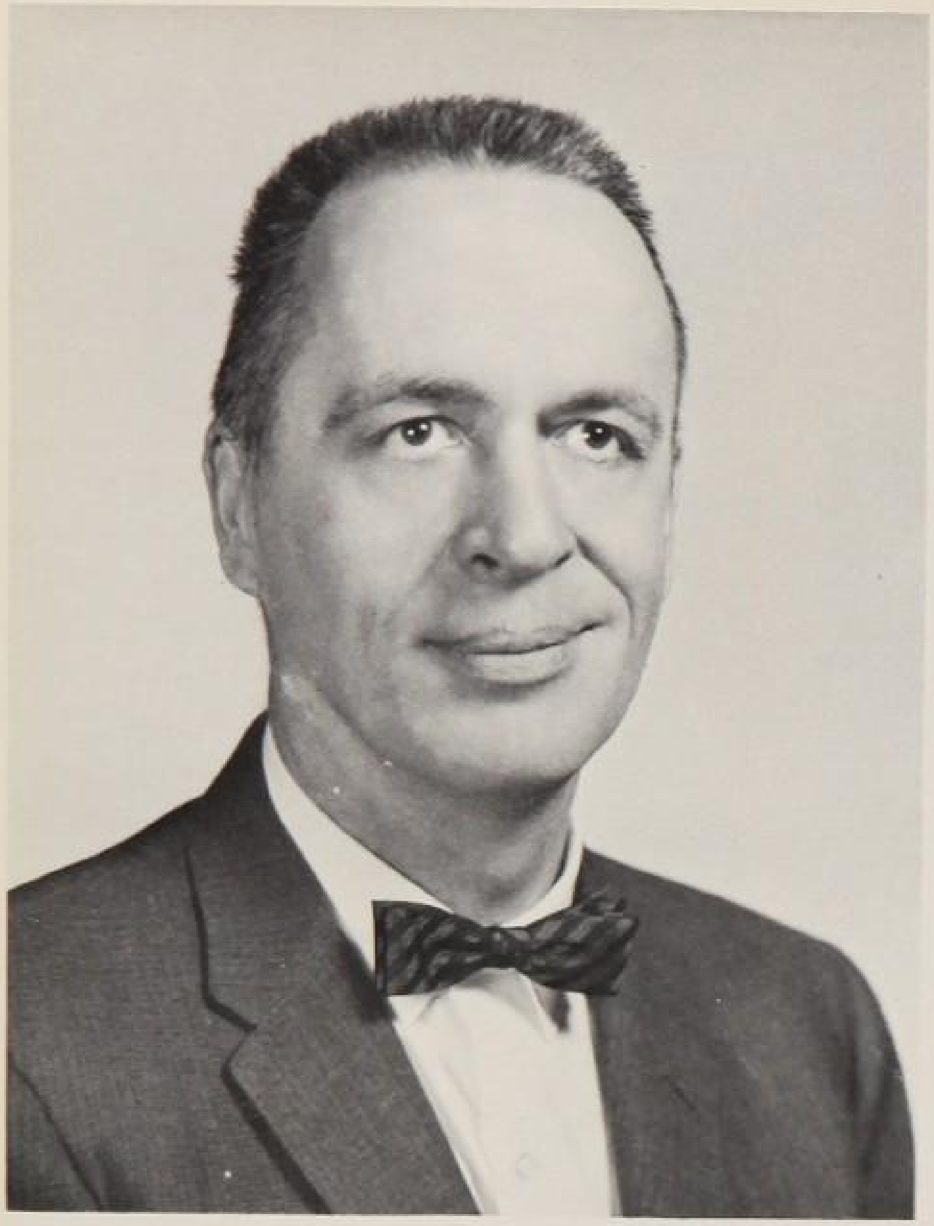
The staff has worked hard since the beginning of the school year, slowly putting the yearbook together. Our new Advisor, Miss Wade, has done a wonderful job in helping the staff. Now after having the book for almost a year, we give it to you to read and enjoy. Here, then, students, is your yearbook, for you are the ones who really make the Torhisean what it is.

Sincerely,

Joe Wilson

Administration and Faculty





Superintendent

Learning is like eating or sleeping. No one can do it for you. In the years you have attended school the teachers have tried to lead you into learning. They have provided the hurdles for you, they have challenged you, they have, in some cases, almost begged you to learn. And now if you are a senior and leaving, these teachers wish you well, they hope that you have learned, not just leaned-on, a high school education that will carry you on to your next goal.

P. I. VAN BRUNT
SUPERINTENDENT

and Secretary

Mrs. Donna Hayes is Mr. Van Brunt's right hand girl and is always near to answer his every need. She is always willing and ready to give a helping hand to all the faculty members.

Principal

A world of opportunity awaits the Toronto High School Class of 1964. Whether you avail yourself of this opportunity depends directly upon the extent of your realization that education is an endless journey. Your high school education, although extremely important, is only the first essential step along the tortuous road to wisdom and understanding. It is our hope that your school has given you the initiative and desire to travel this long and difficult road, for educated people are needed for the world's work. The faculty and administration of Toronto High School wish you much happiness. This is what you have given us.

Congratulations to the Class of 1964.

Richard Meckley

and Secretary

Whenever you need help just go to the office and there Mrs. Inzy Markle will help you. Everyone who knows and has been helped by her, like and respect her. The principal's office would not seem the same without Inzy there to greet you.

From Freshman Day to Graduation Day we were constantly needing assistance. She was always there with a smiling face and a helping hand. From explaining schedules to helping plan our future, she was just the right person to see. We will always remember and respect Miss Hammond for sacrificing all her time to help us. Miss Hammond, we salute you.

Miss Hammond

Dean of Girls

Dean of Boys

To be a Dean you must be patient, kind, understanding, gentle, tolerant, firm, staunch, self-sacrificing, good-natured, humorous, and a straight forward person. Mr. Hughes is gifted with these attributes and maybe a few more were thrown in for good measure. Mr. Hughes is always ready to sacrifice his time to listen to someone's problem or to help another teacher out with some problem. Mr. Hughes, we really like you.

Mr. Andrew Piverotto, head of the science department of T.H.S. became the new advisor of the Hi-Y Club this year and built up the club when it was thought that this fine Christian organization might vanish from the high school scene. The club retained its practice of supporting an orphan in Thailand. The Hi-Y boys also formed their own basketball team. High spots of the year included the sending of Terry Hunter and George Melhorn to represent the club at a model legislature in Columbus and the running of Toronto's city government for one day by Hi-Y members.
